Small Arms Imports

Category	Exporter state	Number of Items	State of origin (if not exporter)	Intermediate location(s) (if any)	Description of Items	Comments on the transfer
1. Revolvers and self-loading pistols	Austria	1				
1. Revolvers and self-loading pistols	Russian Federation	4				
2. Rifles and carbines	Finland	1				
4. Assault rifles	Belgium	8				
4. Assault rifles	Italy	5				

Light Weapons Import

Category	Exporter state	Number of Items	State of origin (if not exporter)	Intermediate location(s) (if any)	Description of Items	Comments on the transfer
1. Heavy machine guns	Belgium	35				

National criterion to determine when a transfer takes effect

- Departure of equipment from the exporter's territory

Views on the future operation of the Register

UNROCA is a vital instrument for creating transparency in the international trade of conventional weapons. It is Germany's view that it should be as comprehensive as possible, notably concerning the inclusion of SALW as an obligatory category. It is also important to keep track with technological and strategic developments, which is why Germany supports the explicit reporting of armed and unarmed Unmanned Aerial Vehicles in categories 4 and 5 of UNROCA.
